RURAL ELECTRIFICATION & RENEWABLE ENERGY CORPORATION

To: Whom it May Concern

Date: 17th October, 2024.

Dear Sir/Madam,

**RE: RECOMMENDATION FOR M/S RIROY COMPANY LTD – LABOUR AND
TRANSPORT CONTRACTOR RURAL ELECTRIFICATION AND RENEWABLE
CORPORATION (REREC)**

We are pleased to recommend M/S Riroy Company, with whom we have had a positive working relationship for the past three years. Throughout our collaboration, they have consistently demonstrated a high level of expertise in construction of power distribution line and have shown a commitment to delivering quality results. Their skilled team excels in problem-solving, meeting deadlines, and adapting to client needs. In the 11 No of projects awarded, MS Riroy Company have showcased their ability to achieve deadlines and high quality, further underscoring their reliability and professionalism.

Moreover, MS Riroy Company Ltd stands out for its excellent communication and customer service. They are proactive in providing updates, addressing concerns, and offering valuable insights that facilitate project success.

We highly recommend it to anyone seeking dependable and high-quality works.
